

**FINANCIAL STATEMENTS** 

FOR THE YEAR ENDED DECEMBER 31, 2023

#### **Independent Auditor's Report**

**Board of Directors** Civil Eats Cotati, CA

#### **Opinion**

We have audited the accompanying financial statements of Civil Eats, which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Civil Eats as of December 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Civil Eats and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Civil Eats's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
  due to fraud or error, and design and perform audit procedures responsive to those risks.
   Such procedures include examining, on a test basis, evidence regarding the amounts and
  disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of Civil Eats's internal control. Accordingly, no such opinion
  is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Civil Eats's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

# Notes to Financial Statements December 31, 2023

#### 1. ORGANIZATION

Civil Eats (Civil Eats) is a nonprofit news organization founded in 2009 with more 150 contributors who report on the evolving food landscape from Capitol Hill to Main Street. Civil Eats is a daily news source for critical thought about the American food system. Civil Eats publishes stories that shift the conversation around sustainable agriculture in an effort to build economically and socially just communities.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Presentation**

The financial statements of Civil Eats have been prepared in accordance with U.S. generally accepted accounting principles (US GAAP), which requires Civil Eats to report information regarding its financial position and activities in accordance with the accrual basis of accounting and the following net asset classifications:

<u>Net Assets Without Donor Restrictions:</u> Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of Civil Eats. These net assets may be used at the discretion of management and the Board of Directors.

<u>Net Assets With Donor Restrictions:</u> Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of Civil Eats or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

#### **Use of Estimates**

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Grants and Contributions Receivable**

Unconditional grants and contributions receivable are recognized as revenue in the year promised. Conditional pledges to give are recognized when the conditions on which they depend are met. Unconditional contributions receivable are expected to be collected within one year. Unconditional grants and contributions receivable are valued at management's estimate of the amount that will ultimately be collected. The allowance for doubtful accounts is based on specific identification of uncollectible accounts and Civil Eats' historical collection experience. There was no allowance for doubtful accounts as of December 31, 2023.

# Notes to Financial Statements December 31, 2023

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

## **Property and Equipment**

Civil Eats follows the practice of capitalizing, at cost, all expenditures for property and equipment in excess of \$2,000. Depreciation and amortization is charged to activities using the straight-line method over the estimated useful lives of each asset.

#### **Revenue Recognition**

Grants and contributions, including unconditional promises to give, are recognized as revenues in the period received or pledged. Conditional promises to give are not recognized until the conditions on which they depend are substantially met. Contributions of assets, other than cash, are recorded at their estimated fair value at the date of gift. Contributed services and materials are recorded at their estimated fair value if they would otherwise be purchased if not provided by donation and provided by professionals in their field. Management considers all outstanding contributions receivable amounts to be fully collectible. Accordingly, an allowance for doubtful accounts has not been established.

Civil Eats charges membership and subscription fees for full and unlimited access to its online content. These charges are recognized as revenue when contributed because the payer does not receive commensurate value in return for the donation.

### **Functional Expenses**

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, the categories of expenses that are attributable to more than one program or supporting function have been allocated among the programs and supporting services based on time and effort.

#### **Income Taxes**

Civil Eats is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, Civil Eats may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. Examples of tax positions include the tax-exempt status of Civil Eats and various positions related to the potential sources of unrelated business taxable income (UBIT).

The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits identified or recorded as liabilities at December 31, 2023.

# Notes to Financial Statements December 31, 2023

# 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Income Taxes (Continued)**

Civil Eats' policy would be to recognize interest and penalties, if any, on tax positions related to its unrecognized tax benefits in income tax expense in the financial statements. No interest and penalties were assessed or recorded during 2023.

### **New Accounting Pronouncements**

In June 2016, the FASB issued ASU 2016-13, Financial Instruments – Credit Losses (Topic 326). This guidance requires Civil Eats to measure all expected credit losses for financial instruments held at the reporting date based on historical experience, current conditions, and reasonable and supportable forecasts. This standard was adopted in the current fiscal year and did not have a significant impact on the financial statements.

#### **Subsequent Events**

Management has evaluated subsequent events through October 29, 2024 the date which the financial statements were available to be issued. The accompanying financial statements recognize the effects of subsequent events that provided evidence about conditions that existed at the statement of financial position date, including the estimates inherent in the process of preparing financial statements. The accompanying financial statements do not recognize the effect of subsequent events with conditions that did not exist at the statement of financial position date, but disclosures of such events, if any, are included in the accompanying notes.

#### 3. CONCENTRATION OF CREDIT RISK

Civil Eats maintains its cash at a federally insured financial institution. As of December 31, 2023, Civil Eats exceeded the FDIC limit by approximately \$85,000.

#### 4. CONTRIBUTIONS RECEIVABLE

Contributions receivable are unconditional, without donor purpose-restrictions and expected to be collected as follows as of December 31, 2023:

2024	\$ 43,374
2025	15,000
2026	 21,000
	\$ 79,374

#### 5. PROPERTY AND EQUIPMENT

Property and equipment as of December 31, 2023 was as follows:

Website	\$ 25,335
Less: Accumulated Amortization	 (14,857)
Property and Equipment - Net	\$ 10,478

# Notes to Financial Statements December 31, 2023

## 5. PROPERTY AND EQUIPMENT (CONTINUED)

Civil Eats has capitalized the costs to build its website. Amortization expense for the year ended December 31, 2023, was \$5,067.

#### 6. NET ASSETS

Net assets with donor restrictions as of and for the year ended December 31, 2023 are as follows:

	Be	ginning of						
	Year		Contributions		Releases		End of Year	
School Food and Nutrition	\$	15,000	\$	5,000	\$	(20,000)	\$	-
Indigenous Foodways								
Fellowship		30,000		50,000		(17,339)	(	62,661
Climate Reporting		-		20,000		(11,667)		8,333
Time Restricted		85,000		93,000		(123,983)	!	54,017
Total	\$	130,000	\$	168,000	\$	(172,989)	<b>\$ 1</b> .	25,011

As of December 31, 2023, net assets without donor restrictions were undesignated.

#### 7. IN-KIND CONTRIBUTIONS

Civil Eats received donated legal services. Donated legal services valued at \$14,080 have been recognized in the accompanying statement of activities for the year ended December 31, 2023. These services were valued at the cost of the services that Civil Eats would have paid if the services were not donated.

#### 8. LIQUIDITY AND AVAILABILITY

The following represents Civil Eats' financial assets at December 31, 2023:

Financial Assets at Year End:

Cash Grants and Contributions Receivable	\$ 1,529,357 79,374
Total Financial Assets	1,608,731
Less Amounts Not Available To Be Used Within One Year: Net Assets With Donor Restrictions Restricted Net Assets To Be Used Within One Year	 (125,011) 36,000
	 (89,011)
Financial Assets Available to Meet General Expenditures Over the Next Twelve Months	\$ 1,519,720

As part of Civil Eats' liquidity management plan, cash in excess of daily requirements is income generating accounts.
